The Codes of Relationships.

Logline:

In the tumultuous landscape of 1960s America, amidst the shadows of a nation grappling with its conscience, Marcus Johnson, a methodical computer programmer, embarks on an unexpected journey of self-discovery after a fateful incident at the New York World's Fair. As he navigates the era's social upheavals and racial tensions, Marcus unravels the complex 'codes' of human relationships, challenging his beliefs and reshaping his understanding of identity, connection, and the echoes of a distant conflict.
